Philmont

The adventure of your lifetime will begin with your crew departing from Newark Liberty Airport for an arrival in the "Mile-High City" of Denver, Colorado.

For the next 2 days, while acclimating to the altitude, you will visit some of the most amazing sites Colorado has to offer.

You will ride on the cog railway to the awe-inspiring, 14,110-foot high summit of Pike's Peak. You and your crew will also experience an exciting 9-mile stretch of the mighty Arkansas River while whitewater rafting. You will be able to walk through the wondrous Garden of Gods and witness the beauty of rock formations seen nowhere else on earth. Your visit out west will also include a real chuck wagon dinner with a country western band playing for your enjoyment.

A modern motor coach will be your roundtrip transportation to Philmont. During your 12-day backcountry trek, you may experience programs such as burro racing, spar-pole climbing, homesteading, and prospecting for gold and much, much more.
