PRINTING SUGGESTIONS															
	1. This spreadsheet is designed to be printed on five (5) pages in landscape mode, plus these notes. On 8 1/2 x 11 sheets, the program summary should not be included, and the print will still be small!  The program summary can be included if printed on 8 1/2 x 14 sheets. For ease of use (and to reduce eye strain) print on 11 x 17 sheets, if you have access to a printer that can handle that size paper														
If the crew has identified several programs as their preferences, or programs stand out from the others.	2. If the crew has identified several programs as their preferences, changing those columns in the Program Summary to <b>bold</b> and/or a larger font will make itineraries with those
