## 2012 Warren Wheeler Adventuershship Request

This Request **may only be used by Scouts registered in the Patriots' Path Council**, to apply for financial assistance for all Patriots' Path Summer Camp Programs, High Adventure Programs, NOAC, National Youth Leader Training, National Advanced Youth Leadership Experience, National Jamboree and other Council programs. An award is subject to the availability of funds.

Every Scout should be given an opportunity to take part in all Scouting adventures. This Adventuershship program has been established so that Scout families will find these programs within reach. As with all Scout programs, it is based on the time honored principle that *an individual earns his own way*. By far the best way to acquire the necessary resources is for the Scout to begin a work and savings program far in advance.

Adventuershships will be based on need, and normally will be considered for only a portion of the cost of a **single** program (i.e., one camp session, one high adventure trip or one jamboree/conference) per year. Scouts are expected first to raise what funds they can from work, savings, family support and unit or community contributions. **Please write a one-paragraph statement on the back of this form explaining the financial need and/or special circumstances surrounding your request for an Adventuershship.** (A parent may provide this explanation for younger Scouts.) We will emphasize confidentiality.

**\*\*Please file your Adventuershship Request using the following deadlines; Adventuershship Requests cannot be processed after these dates:**
