

Your Philmont Medical Record

=====

(One copy for each member of your crew)

- Check medical records for completeness (family responsibility).
 1. Every line on the medical record must be filled out.
 2. Three signatures: Physician, Parent, and Scout.
 3. Physician's phone number printed clearly & easy to read.
 4. Copy of medical insurance card (front and back) attached to medical record.
- Make three copies of all Philmont Medical Records including three more copies of the insurance card (front and back). Attach copy of card to copy of all three medical records. Copy pages with signatures and Crew Member medical information.
- Lead Advisor keeps the original medical records for entire crew in his/her possession. Advisor will carry them to Philmont and surrenders them to your Ranger or the Philmont Medical Department. Records will be returned to you at the end of the trek.
- One copy stays at home with the parents.
- One complete set of copies will be kept in the possession of an Assistant Advisor. Assistant Advisor will carry them to Philmont.
- Each member of the crew will carry a copy in his/her "carry on" bag.
